Hey! I'm Sarzila Sahrin Jisha. I am a current student of BSc CSE at 7th semester in American International University Bangladesh. I thrive on challenges and constantly set goals for myself and so I have something to strive towards. I'm not comfortable with settling and I'm always looking for an opportunity to do better and achieve greatness. During my university life, till now, I found my interest on Database, Discrete Mathematics, Object Oriented Analysis & Design, User Interface (UI) Design, Python, OpenGL Vector Graphics and Web Design. Besides, I have always been interested in Mathematics and Statistics. In future, I like to pursue my study in Data
